Auditor-Controller

SUBJECT: **BOARD REQUESTED REPORT**

On October 8, 2002, your Board instructed the Auditor-Controller, in conjunction with the Chief Administrative Officer, to review the status of randomly sampled County land development projects' compliance with conditions of approval and jointly report back to your Board on November 15, 2002 with our findings.

Due to the complexity of the project, our review will not be completed by the assigned due date. We are currently identifying potential land development projects for our review and anticipate completing our review and issuing our report by April 30, 2003.

If you have any questions regarding this matter, please contact me or your staff may contact DeWitt Roberts at (213) 974-0301.
